		Student of the week	
Congratulation	ons to the	following students whose efforts, behaviour and attitude have been recognised	
Eli W	P/H	For making such an amazing start at Belmont Primary School. You are a wonderfully polite and happy classmate! Keep it up champ!	
Maia F	P/M	For listening so attentively during the Bravehearts presentation. You remembered Ditto's important messages beautifully!	
Cooper M	1/2C	For being our first Gold Medalist during our Classroom Olympics! You are the 1/2C World Champion Cotton Ball Shot Put thrower! Well done!	
Lloyd S		For being an amazing sportsman and supporting his classmates during our Olympic Competitions! Well done on winning a Bronze Medal too!	
Nicholas C	1/2D	For doing a fantastic job with all aspects of his writing, having good ideas, creating interesting sentences and using paragraphs. Keep up the great work Nick!	
Oscar D	1/2G	For working hard in all integrated lessons and remembering lots of bones, muscles and organs! Well done Oscar!	
Liam R	1/2M	For his outstanding display of sportsmanship during our Belmont Primary Olympics. An outstanding role model to all!!	
Eliza T	3/4E	For being a terrific independent worker during Reading group activities and for producing a creative and entertaining 'Shadow Puppet' presentation.	
Jake S	3/4M	For excellent financial management during our money maths activities!	
Ashlinn M	3/4T	For her consistent hard-working approach and neat presentation of all work tasks, everyday! You are a star Ashlinn!	
John C	5/6C	For persistence in class and all round kindness.	
DJ C	5/6L	For being polite and hard-working and for putting an amazing effort into all of his work tasks. You are a super student DJ!	
Jackson M	5/6M	For creating a magnificent newspaper article about the Australian basketball team titled 'Boomers Score Big!'.	
Mary C	5/6P	For working so hard on her spelling and getting full marks. Keep it up!	

PRINCIPALS REPORT

Students of the week

NAPLAN reports are now available for parents who have students in <u>Year 3 and 5</u>. These reports can be <u>picked up by our parents</u> at the **office** from Thursday afternoon. To keep disruptions to a minimum we ask that parents try to arrange pick up before or after school where possible. Students will not be issued with these reports. We have seen reports lost or damaged when given out this way. A page explaining how the report is presented and reads has been provided with the student report.

NAPLAN is a series of 'snapshots' on a given day using a given test format. This day or this format does not always produce the best results or most accurate results for all students. Teachers rely on a range of assessments to best determine the achievement levels for students not a single test on a single day.

The aggregated data does provide the school with some useful information specific to the subject areas. The staff examine this data as it relates to individuals and groups of students.

More on this next week. If parents have any questions please feel free to contact the school or your class teacher.

Ditto's Keep Safe Adventure Show arrived for grades Prep-2 last Thursday. A small contingent of parents also attended and watched the interactive show. All students received an activity book. These books will make their way home at some stage and parents are encouraged to discuss the books messages further with their child where they deem it appropriate.

The performance aimed to provide all of our students with <u>strategies they can use</u> and <u>people they can talk</u> to if they are not feeling safe.

More details can be found at www.bravehearts.org.au

Jed's is called The Longest Balltrack Stella's is called Big Big Ramps

The Attendance Slips sheet out with todays newsletter is a master sheet for parents to use if their students are away. We have found these attendance slips the most efficient way for our staff to register absences. Keep them handy on the fridge and use them when you next need to. They can be slipped into

the diary easily. **Skoolbag** also is an easy on-line way of registering a students absence.

Vintage Fair Nov 4th

Our <u>next meeting</u> will be an evening meeting. This will be selected when we can organise a special visitor expert in the field of school events like ours. We are just **78 days out** from this special school event. Would you be able to help out with any of these investigations?

News so far:

We have placed a deposit to secure a small children's **Ferris Wheel** pictured here below.

Sadly our Vintage cars we were hopeful of securing are headed South to Tasmania for a special event. Any other old car possibilities out there?

Social Media Facebook repeat message

A few weeks back I wrote about the Social Media phenomena. I thought it important to repeat this message and update parents with regard to some of the work we are doing here at Belmont.

Fortunately our school experiences very few social media events which raise concern for us but it is a timely reminder to us all that what we choose to <u>publish</u> on social media can have a widespread impact.

I encourage all of our parents to continue to approach class teachers or the administration at any time if they are concerned about any matter as it relates to the school. More often than not this respectful discussion at the source resolves 99% of those matters that are raised.

The raising of issue on social media gives the school no recourse as stories or issues that might be shared are rarely in context and rarely present all sides to a story or an event. Such exposure can negatively impact on the view held by our community of our students, our staff or the school in general.

Belmont PS will from time to time of course make decisions that are not popular with all of our parents. This is 'life'. Parents should have every confidence however, that important decisions made by the school involve strong consultation, adequate and informed discussion and a level of compromise where required.

If we are aware of any incidents these are followed up. A recent survey of all of our Year 5/6s for example is evidence of our efforts to support all of our students.

The results of this school based survey identified some further improvements we could make for students and the school has acted on these promptly.

Our Year 3/4s are also about to trial a survey to help teachers at this level, get a different perspective on the attitudes of our middles toward school.

All of this work goes on behind the scenes because staff at Belmont care about each and every student.

All decisions we make and all actions we take always return to the common denominator: 'What will be best for our students andwhat will be best for this child?'

SPECIAL DAYS

Next week is BOOK WEEK Each year across Australia, The Children's Book Council of Australia brings children and books together celebrating Children's Book Week. The theme for 2016 is Australia! Story Country. Belmont P.S. is celebrating Book Week on Tuesday

Belmont P.S. is celebrating Book Week on **Tuesday August 23rd** by conducting a Book Dress Up Parade.

The parade will be conducted between **9 – 10 o'clock**, parents are welcome to view the parade and join our celebration.

Children are asked to dress up as their favourite book character or as something related to this year's theme. It would be great to add a copy of the book your costume relates to or a copy of the cover made into a book. Carry it in the parade!

We look forward to seeing many colourful, interesting and imaginative costumes on the day!

- VIP Day Tuesday 30th of August Grandparents and special others
- Footy Colours Casual Dress -JSC Fundraiser Gold Coin donation <u>Friday 16th September</u>

Challenge of the Week: No challenge this week. Put your feet up!

Proposed Zebra Crossings Street

Nearby property owners will be contacted this week regarding the pedestrian access improvement project proposed for the intersection of Regent Street and Thomson Street.

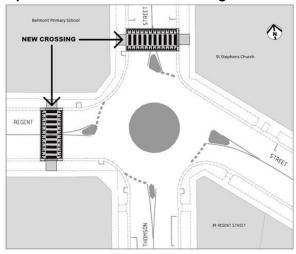

A key priority of the City is to create people-friendly spaces by improving conditions for pedestrians, whilst balancing the needs for parking and vehicle accessibility.

To enable greater pedestrian access and mobility, the City will be installing two zebra crossings at the roundabout of Regent Street and Thomson Street.

The zebra crossings will be constructed with a 'raised profile' so that the zebra crossing will be on top of a speed hump. These treatments are also known as 'Wombat Crossings'.

The new raised crossings encourage slower vehicle speeds and provide priority to pedestrians to safely cross the road. This project is programmed to be constructed late September 2016.

Proposed Plan for Wombat Crossings

VIP DAY

To celebrate Literacy and Numeracy Week this year the school will be holding a VIP Day on **Tuesday 30th August**. Students will send home an invitation sometime in the next week inviting a special guest to come and visit them in their classroom.

This is a great opportunity for grandparents or other relatives/friends to have a look at classrooms and the school. The classrooms are open from 12:30 – 1:30 and guests are welcome to stay and have a picnic lunch with students outside in the school grounds afterwards.

BELMONT P.S VINTAGE FAIR

The Belmont Primary Vintage Fair will be held on **Friday 4th November**, and as a part of festivities we will be running a book stall.

We are seeking donations of good quality books of all genres. We would appreciate recent novels/thrillers/biographies/children's books.

Books need to be a saleable quality. We will be unable to accept encyclopaedia, outdated travel books, or old scrappy paperbacks. We hope to have an inviting, orderly display, with the stall to be operated by one of the Grade 5/6 classes.

There is a drop off bin near the office. If you have any questions or would like to donate books out of school hours, please call me on **0401 926 728**.

Thanks for your support!

PARENTS CLUB

Fathers Day Stall

Friday 2 September 2016

Thanks to those parents who provided ideas via the Facebook page and those who attended last week's meeting to discuss the Fathers Day Stall gifts...after much discussion, we've finalised the gift choices and are now making the purchases. The cost is \$5.00 per student; if your child wishes to participate, please make the payment to their classroom teacher as soon as possible.

For new parents, here's how it works:

- Parents Club purchases gift bags and a range of different gifts.
- Each student is given a gift bag to decorate during class time.
- Students attend the Fathers Day Stall and select a gift; there are at least 5 different gifts to choose from and the students put a lot of thought into what will suit best!

Feedback

If you have any ideas or suggestions, feel free to contact any of the Parents Club Committee Members...Emily Jolley, Leah Walker or Rebekah Hughes □

Many thanks, Rebekah Hughes President, Parents Club Ph: 0438 316 240

BOOK CLUB DUE – Fri 26th August

A reminder that Book Club is due Friday 26th August at 9.00am.

FROM THE ART ROOM

PREPS

This week in art we learnt about mosaics. Mosaics...A picture or pattern produced by arranging together small pieces of stone, tiles, glass, broken crockery, paper etc.

We looked at examples of very early mosaics made back in Roman times and it was interesting that some of the children commented on the muted colours in comparison to the mostly bright coloured mosaics that you see today. We talked about tiles and which rooms of our house has them and why then got into pairs to make a butterfly mosaic using torn papers. I deliberately chose butterflies for our activity to reinforce the concept of symmetry that we investigated last week.

GRADES ONE AND TWO

We also looked at symmetry this week and again butterflies and moths are the perfect example of this concept. The children chose a half butterfly from a choice of four then completed the other half themselves in pencil first then when happy with their work black marker over the top.

Next they cut them out taking care with the antennae and glued them onto coloured paper of their choice. The butterflies were coloured using soft pastels from our wonderful new sets forty eight colours to choose from, yeah!

GRADES THREE AND FOUR

We started weaving the trees onto our painted countryside plates this week and I have to say they are looking amazing These will definitely have to go straight to the poolroom!

(The Castle movie for those wondering what on earth I'm talking about.)

GRADES FIVE AND SIX

After three sessions working on our Formula One T shirts we are nearly there. Those not finished will now be completing them in their classroom when they have spare time.
